Village Board,

This letter is a follow up to our discussion at the February 21, 2022 Town of Denmark Board Meeting via Zoom Link. The Town Board has several concerns regarding the Copenhagen Volunteer Fire Department.

The board voted to request the Copies of Training Records & Certification for the individuals performing "firefighting duties" in the Town of Denmark. Specifically: Names of Individuals that have certification for "Interior Firefighting Operations", Names of Individuals that have certification in "Exterior Operations & Fire Ground Support, Names of Individuals that have certification for "Emergency Vehicle Operations, Including Pump Operations.

We wish to receive this information by April 14, 2022. Just for your information, this same request has been made for Firefighters in the Castorland Fire Company and West Carthage Fire Department.

Thank you in advance for your assistance.

Scott M. Doyle
