Subject: RE: Board Packet Part 1

Hi all,

Here is a quote for the picnic tables to order for the Façade grant. Unfortunately the metal tables we were looking at are now \$150 more than they were in November when we looked at the OGS. So I found these tables with metal frames and pressure treated wood top and seats. They are coming from Jamestown, NY and will be delivered unassembled. I'm certain we can find some community members to help us get them put together.

These tables I think are what we want for their design. They are easy access with the metal frame not impeding sitting like normal picnic tables. I think they would be much easier for children and the elderly.

These tables actually come in under budget.

Let me know if you have any questions.

The logo for Jamestown Advanced Products features the word "JAMESTOWN" in a large, bold, serif font, with a trademark symbol (TM) to its upper right. Below it, the words "ADVANCED PRODUCTS" are written in a smaller, bold, sans-serif font. The entire logo is set against a white background with horizontal lines above and below the text.
