ATTENTION: VILLAGE BOARD

Following the Copenhagen Volunteer Fire Department, Inc., Board of Directors Meeting on 3/17/22, as indicated in the minutes that were sent to the Village, we would like to set a date and time for a meeting to discuss with the Village Board, and both sets of attorneys, the policies that are going to go into effect and changes that need to be made for the Village to take over the accounting for the Fire Department's contract money. There are going to be payments that need to be paid on certain dates and for certain amounts that the Village will now have to provide payment out of our Account for.

Please advise us of a time that is convenient as soon as possible to have the Copenhagen Volunteer Fire Department Board of Directors, the Village Board, the Village attorney, Candace Randall, Esq., and the Fire Department attorney, Terence Hannigan, Esq., to get together to set forth these new policies and procedures.

If you have any questions or concerns, please contact President Jim Henry, as we would like this set up as soon as possible, as April 1st begins a new payment-due period. We will be emailing this letter, as well as a paper copy being sent so that we can get this set up quickly.

Firematically,

James C. Henry
