Copenhagen Mayor and Board Members:

This letter serves to respectfully inform you that Mary and DeVere Rumble, Hopenhagen Farm, will be having a lavender festival on July 9, 2022, 9-5, at 10218 Washington Street, Copenhagen.

Past years have generated over 3500 people coming into our village. One past concern that visitors had was that traffic was very congested due to the firemen doing a Boot Drive downtown. I understand the need for Boot Drives, but I also have a concern for safety and traffic movement through our village. With the assumption of good weather, we are expecting the number of visitors to increase. We respectfully ask that the firemen do not do a Boot Drive the day of the festival as to not obstruct traffic, as well as concern for their safety.

Sincerely,

A handwritten signature in cursive script that reads "DeVere Rumble". The signature is written in black ink and is positioned below the word "Sincerely,".
