New Water User Request

Mayor Souva,

The Town of Denmark Board has received a request from Robb & Dawn Breyette add a user to Water District #1 to hook up service to a new garage. The garage will be located near his property located at 10255 Plank Road. The Breyette's currently pay a EDU fee for the property that will be developed.

The Town of Denmark is requesting permission from the Village of Copenhagen to add this user. We want to stay within the parameters of the IMA & the Town's Water Law.

We await your decision, so we can advise the Breyette's.
